

Highland County Retired Teachers Association

August 3, 2015

The August meeting of HCRTA met in Greenfield at McClain High School. The high school celebrated the 100th anniversary of its dedication in September. Dr. Dan Strain, former high school principal, talked briefly about the school's history and then took us on a tour to look at the artwork throughout the school.

After the tour, we went to the Konneker Education Center for our meeting. We enjoyed a delicious lunch served by Harold and Judy Schmidt of the Greenfield Historical Society.

During the business meeting the secretary and treasurer's reports were approved. Kathy reported that new members would be invited to the November meeting. Glenn announced there was a scholarship winner from Hillsboro High School. Opal reported on the passing of John Baal, Beatrice Jean Little, and Hugh H. Turner. Daryel thanked members for bringing in food items for the Senior Center. In November, the members are asked to bring in paper products and personal hygiene items for Samaritan Outreach. Pamela will try to get someone from STRS to talk about healthcare for November.

There was no old business.

In new business, it was mentioned that a new slate of officers were needed for 2016. Anyone interested should contact a present officer.

It was moved by Opal and seconded by Joan to adjourn. Everyone approved.

After the meeting, Harold Schmidt, president of the Greenfield Historical Society, gave brief talk about the Konneker Education Center. Then members were able to look at the items in the museum that was associated with the school.
